Individual Names

- Individual names can be branded onto:
Sublimated Mugs, Diaries and Notebooks
- Very affordable, due to the automated software system
- No delay to the normal artwork and branding time

Branding Options:

Pad Printing

Ideal for high volume prints.

Allows for up to four colour prints.

This process is used on small items such as:

- Plastic pens, calculators, mugs, watch dials etc.

Silkscreen Printing

Very effective in producing large and bold logos.

Allows for up to six colour prints.

This process is used on products such as:

- Bags, notebooks, folders, umbrellas, coolers etc.

Laser Engraving

A logo is burned into the product with a laser, with an upmarket look.

This process is used on products such as:

- Metal pens, keyrings, flasks, tools, trophies etc.

Vinyl Stickers

Full colour stickers are printed.

This process is ideal for products where other branding methods are not available, especially for a full colour logo, such as:

- Gift bags, hampers, earphones etc.

Dome Stickers

Full colour stickers are printed and coated to give a 3 dimensional look.

This process is ideal for products where provisions

have been made to hold a dome sticker, such as:

- Picnic bags, braai sets, bag hangers etc.

Foiling

A thin foil is pressed into a product to create a silver or gold colour.

This process works best on PU and Koskin material such as:

- Diaries and notebooks.

Debossing

A logo is heat stamped into the product, with a classy, subtle effect.

This process works best on PU and Koskin material such as:

- Diaries and notebooks.

Individual Names (Pspec Branding)

Individual names can be branded onto:

Sublimated Mugs, Diaries and Notebooks.

It is very affordable, due to the automated software system.

And no delay to the normal artwork and branding time.

Full Colour Direct to Product Printing

8 ink cartridges allow for full colour printing on white and coloured products, as well as heat-sensitive materials.

This process is used on plastic and metal items.

Full Colour Sublimation Printing

Using sublimation inks, full colour logos are applied to a product.

This works on man-made fabrics such as polyester and white ceramic.

This process is used on products such as:

- Sublimation mugs, white umbrellas, white polyester bags, white mousepads etc.

Full Colour Heat Transfer

A full colour logo is transferred onto a product using a heat press.

Ideal for products too intricate for Silkscreen Printing.

This process works on polyester, nylon, cotton and 600D materials, such as:

- Bags, camping chairs, umbrellas, emoji cushions, travel pillows etc.

Name & Lapel Badges

A dome badge with a magnet or pin clip attached.

Our standard size Name Badges are: 60x20mm, 65x25mm and 70x30mm

Our standard size Lapel Badges are: 20x20mm and 30x30mm

Custom shapes also available on request.

Button Badges

High volumes can be produced.

Individual Names can also be added.

3 sizes available are: 37mm, 58mm and 75mm.
